

Louis & Sons Drywall, Inc.

At Louis & Sons, our #1 focus is on quality workmanship. Companies often say the phrase, "We have pride in our workmanship," but do they really mean it? We will never sacrifice cheap material or labor for a profit or to be the lowest bidder on a project. We set high standards for our projects, our workers and ourselves.

We specialize in organizing and completing the following:

- Multi Unit Developments
- Custom Homes & Additions
- New Homes
- All Types of Commercial Projects

4. Collaboration

We work closely with builders, architects, and homeowners to ensure the best possible outcome.

We are certified members of the following associations:

New Jersey
Builders Association

Founders Robert and Michael Gemignani

Louis & Sons Drywall, Inc. specializes in drywall and insulation services. Established in 2000 by twin brothers Robert and Michael Gemignani, the company was founded after two decades of hands-on experience in the drywall industry.

By creating *Louis & Sons*, the Gemignani brothers have combined their deep-rooted expertise with modern innovations, blending time-honored craftsmanship with the latest advancements in drywall technology. This allows them to consistently deliver superior quality and meet the evolving demands of today's construction industry.
